Subject: DEADLINE FOR WITHDRAWAL OF ANNEXED CITY  
TERRITORY FROM COUNTY FIRE PROTECTION  
DISTRICT AND OTHER SPECIAL DISTRICTS

The purpose of this memo is to advise you that the following annexation completed by your City includes territory within a County-operated Fire Protection District:

Firestone Boulevard Annexation No. 45

Should your City desire to withdraw the territory from the District in order to avoid the Fire Protection District tax levy for the 1966-67 fiscal year, withdrawal proceedings must be taken in sufficient time to meet the January 1, 1966, deadline specified in Section 54902 of the Government Code. Such withdrawal of City territory from a County Fire Protection District may be accomplished pursuant to Sections 14540, et seq., or 14560, et seq., of the Health and Safety Code.

In addition, recent annexations to your City may have included territory within other County Special Districts from which you may also wish to withdraw in order to avoid the 1966-67 District tax levy. Such withdrawals must also be completed prior to January 1, 1966.

If the County can be of further assistance to you in this matter, we suggest you contact Mr. Henry Haenke, Section Head, Special District Section, County Engineer's Office at 629-4747, Extension 81345 or this office.

Dear Mr. Williams:

**Proposed FIRESTONE BOULEVARD  
ANNEXATION NO. 45 to the  
City of Santa Fe Springs  
(Detachment from the City of  
Norwalk)**

At the meeting held February 3, 1965, the County Boundary Commission reviewed the boundary description and map submitted by Mr. Richard H. Weaver, Director of Planning, with his letter filed January 14, for the proposed annexation of territory to the City of Santa Fe Springs.

At the request of Mr. Glen E. Danielson, Director of Public Works for the City of Santa Fe Springs, the northeasterly boundary has been revised to conform with a line lying between the existing east bound and west bound lanes of the Santa Ana Freeway. The boundaries submitted conform with record lines and lines of ownership; and no island or corridor of unincorporated territory is created by the boundaries.

Upon recommendation of the County Engineer, revisions were made in the boundary description to provide the definiteness and certainty in accordance with Section 35002 of the Government Code. With these revisions the Commission approved the boundaries for the proposed annexation. A copy of the approved revised legal description and a list of special districts involved are attached.

Very truly yours,
